## **S75 Executive Summary**

- What were the key policy/service developments made by the authority during this reporting period to better promote equality of opportunity and good relations and what outcomes were achieved?

The Northern Ireland Screen Equality Scheme was approved by the Equality Commission in March 2004. The screening of existing policies was completed in August 2005 and the resulting EQIAs (of the Equal Opportunities and Harassment Policies) were completed in September 2006. The continuing focus of the Equality Scheme Action Plan is therefore on the monitoring of policies. Northern Ireland Screen closely monitors participation in a number of programmes, mainly through the use of equal opportunities monitoring questionnaires. This method continued to provide robust information on the Section 75 profiles of individuals involved in the programmes and a monitoring report was prepared at the end of the year. Northern Ireland Screen is confident that each programme is being operated in a manner which promotes equality of opportunity and good relations.

In terms of policy and service developments, the main areas of activity continue to be production funding, locations, services and facilities, exhibition and audience development, education, business support, skills and training. In 2010-11 Northern Ireland Screen delivered or assisted in delivering a wide range of initiatives which promoted equality of opportunity, good relations and diversity, including:

- the Irish Language Broadcast Fund, which was set up in 2005 with the dual aim of funding Irish language content of high quality and of fostering the Irish speaking independent production sector in Northern Ireland. The Fund finances at least 70 hours of Irish language content per year which is broadcast on TG4, BBC NI and RTÉ;
- the Ulster-Scots Broadcast Fund which was established during the year to provide finance for the production of film, television or other moving image projects relating to the Ulster-Scots heritage, culture and language in Northern Ireland;
- three Creative Learning Centres (in Derry/Londonderry,

Crossnacreevy and Armagh), which support digital creativity programmes for young people, especially those experiencing disadvantage, and professional development for teachers and youth leaders;

- the Digital Film Archive, which is now provided at 19 sites across Northern Ireland and allows free public access to over 70 hours of film footage spanning over 100 years of Northern Ireland history;
- the Digital Film Archive Outreach Programme, which delivers themed presentations to a wide range of community groups and historical societies and schools;
- the Festivals Programme, which funded, among other things, the Belfast Film Festival 2010 which included a feature on “Same Sex Cinema” and Cinemagic 2010 aimed at children and young people
- community media projects, including the Northern Visions programme which delivers intergenerational projects and works closely with organisations representing older people.

- What are the main initiatives planned in the coming year to ensure the authority improves outcomes in terms of equality of opportunity and good relations for individuals from the nine categories covered by Section 75?

In terms of the Equality Scheme, in the coming year Northern Ireland Screen will focus on –

- screening any new policies as they arise;
- evaluating the results arising from the monitoring systems which are already in place;
- reviewing the monitoring system and updating it as necessary;
- providing refresher training for officers and awareness training for new employees.

Work will also begin on developing an audit of inequalities with a view to informing an Equality Action Plan as part of the new Equality Scheme which is due to be completed in 2012.

Please give examples of changes to policies or practices which have resulted in outcomes. If the change was a result of an EQIA please tick the appropriate box in column 3 and reference the title of the relevant EQIA in the space provided below:

**Section 4: Training**

- Please outline training provision during the year associated with the Section 75 Duties/Equality Scheme requirements including types of training provision and conclusions from any training evaluations.

The Northern Ireland Screen Equality Scheme includes a commitment to developing an effective training programme for all staff (sections 8.1 and 8.3) in order to –

- raise awareness of current anti-discrimination legislation and the statutory equality duties; and
- provide those employees involved in implementing various aspects of the Equality Scheme with the necessary skills and knowledge to do this work effectively.

Initial awareness training was provided for all staff in June 2004 and March 2005. Refresher training and awareness training for new employees has since been provided approximately on an annual basis.

**Evaluation of training**

Northern Ireland Screen has a clear procedure for the identification of training needs, the provision of appropriate training and evaluation of the benefits of all training undertaken. All training undertaken in relation to Section 75 and the Equality Scheme has been fully evaluated and the outcomes assessed through this process.

**Section 5: Communication**

- Please outline how the authority communicated progress on delivery of the Section 75 Duties during the year and evidence of the impact/success of such activities.

Northern Ireland Screen has a well designed, informative website and e-zine which is the focus of communication activities for the organisation. A full Publication Scheme has been introduced enabling the public to access a wide range of documents through the website including all documents relating to Section 75 duties. The website has recently been redesigned and updated.

Internally, the Board receives regular reports on progress on the implementation of the Equality Scheme and there is a standard agenda item at every meeting of the Senior Management Team. Staff are kept up to date on Section 75 issues through team meetings, e mails and workshops.

## Section 6: Data Collection & Analysis

- Please outline any systems that were established during the year to supplement available statistical and qualitative research or any research undertaken/commissioned to obtain information on the needs and experiences of individuals from the nine categories covered by Section 75, including the needs and experiences of people with multiple identities.

Prior to the adoption of the Equality Scheme processes were in place to ensure that all available quantitative and qualitative data was used to inform policy development and that additional data was obtained where necessary.

As a result of the adoption of the Equality Scheme, all appropriate monitoring forms were extended to cover eight of the nine Section 75 categories. (In view of the sensitivity of the subject matter and the NICS policy on monitoring, information is not requested on political opinion.) Current staff were also requested to provide information about themselves under these eight categories on a voluntary basis.

Northern Ireland Screen is confident that sufficient information is collected to allow for the effective monitoring of both external and internal policies in terms of their impact on equality of opportunity. Evaluation of the monitoring information is carried out at the end of each year and the latest monitoring report can be accessed on the website, [www.northernirelandscreen.co.uk](http://www.northernirelandscreen.co.uk)

The monitoring data shows that Northern Ireland Screen is attracting a good range of applicants from most of the Section 75 groups for training and funding initiatives. Many of the schemes are aimed at people wishing to pursue a career in creative and technical disciplines and so there tends to be a high percentage of young applicants. Northern Ireland Screen is confident that all schemes are being operated in a manner which promotes equality of opportunity and that there are no barriers to applicants in any of the Section 75 groups. There has been an encouraging increase in the last year of applications by disabled people and people from black and minority ethnic communities, who were previously under-represented.

- Please outline any use of the Commission's Section 75 Monitoring Guide.

Northern Ireland Screen has found the Monitoring Guide useful in terms of drafting monitoring questionnaires.

### **Section 7: Information Provision, Access to Information and Services**

- Please provide details of any initiatives/steps taken during the year, including take up, to improve access to services including provision of information in accessible formats.

#### **Access to information**

Northern Ireland Screen undertook a detailed review of the arrangements for providing information in alternative formats in 2006-07 and concluded that adequate arrangements were in place to provide documents in alternative formats on request. No requests were received in 2010-11.

During 2009-10 the website was updated to present a clearer, more user-friendly homepage highlighting the main areas of activity, to ensure that it is easily navigable and to allow more interactive content, such as the completion of funding applications on-line.

#### **Access to services**

Equality issues have been an integral part of Northern Ireland Screen policies for some time and every opportunity is taken to promote and draw attention to equality of opportunity in the delivery of services. Examples of current initiatives which are particularly relevant are set out above in the Executive Summary.

**Section 8: Complaints**

- Please identify the number of Section 75 related complaints:
  - received and resolved by the authority (including how this was achieved);
  - which were not resolved to the satisfaction of the complainant;
  - which were referred to the Equality Commission.

Northern Ireland Screen has developed a procedure for dealing with Section 75 complaints but no complaints have been received to date.

**Section 9: Consultation and Engagement**

- Please provide details of the measures taken to enhance the level of engagement with individuals and representative groups during the year.

Northern Ireland Screen continues to work with specific groups in relation to the delivery of key policies.

For example, Northern Ireland Screen works closely with partner organisations including Clanmill Housing, the Belfast Health & Social Care Trust and Engage With Age to maximise use of the Digital Film Archive.

- Please outline any use of the Commission's guidance on consulting with and involving children and young people.

Northern Ireland Screen is aware of the Commission's guidance and other best practice publications on consulting with children and young people and endeavours to follow best practice in all dealings with children and young people.

**Section 10: The Good Relations Duty**

- Please provide details of additional steps taken to implement or progress the good relations duty during the year. Please indicate any findings or expected outcomes from this work.

In general, Northern Ireland Screen has taken forward the 'good relations' duty alongside the requirement to promote equality of opportunity. All awareness training includes information on the duty to promote good relations and, in particular, references to the Programme for Cohesion, Sharing and Integration.

Northern Ireland Screen will continue to identify and consider any opportunities to promote good relations as they arise.

- Please outline any use of the Commission's Good Relations Guide.

No particular use was made of the Commission's Good Relations Guide in 2010-11.

**Section 11: New/Revised Equality Schemes**

- If the Commission has notified you of its intention to request a new/revised scheme or formally requested a new/revised scheme and associated action plan, please outline below what progress has been made in this reporting period.

DCAL took steps during the year to prepare an audit of inequalities and develop an Equality Action Plan for inclusion in a revised Equality Scheme. Northern Ireland Screen contributed to the preparation of the audit of inequalities and action plan.

Northern Ireland Screen intends to begin work on its own revised Equality Scheme in the autumn of 2011.
