

COMPLAINTS PROCEDURE

What is a complaint?

Northern Ireland Screen defines a complaint as:

"an expression of dissatisfaction about an aspect of the service that a person / organisation has received from Northern Ireland Screen".

A separate review procedure exists for applicants who wish to have their funding decisions reviewed by Northern Ireland Screen. Copies of the Funding Review Procedure are available from the Northern Ireland Screen website.

How to complain

If you are unhappy with an aspect of the service you receive from Northern Ireland Screen we would like to hear from you. Equally, if you are pleased with the service offered, or simply have a suggestion to make, please let us know. You can make your complaint in whatever form is most convenient to you. Our contact details are given below. It is helpful to know the exact nature of your complaint in as much detail as possible and what action you expect to be taken to remedy the matter.

What will happen when you complain?

Northern Ireland Screen will then record your complaint(s) and comments on a standard form. This form and any other supporting information or correspondence you supply, is a permanent record of your concerns and will also detail how the matter has been resolved.

It is Northern Ireland Screen's intention that complaints will be responded to within seven working days. If a full response cannot be given within seven days (for example, when a matter is very complex), you will be informed of the progress made with your complaint.

Who will deal with your complaint?

It is Northern Ireland Screen's policy that, as far as possible, a complaint should be dealt with immediately by the member of staff who receives it. If the complaint cannot be dealt with by the person receiving the call, or letter, then the details will be passed directly to the appropriate staff member for action. In their absence, it will automatically be directed to the relevant senior member of staff. The Chief Executive accepts full responsibility for effective complaint handling.

What to do if you are still unhappy

If you are still unhappy with the response given, or have a problem with the staff member with whom you are dealing, you have the right to complain to Northern Ireland Screen's Chief Executive in writing. The Chief Executive will reply to you within 10 working days of receipt of your letter.
